Membership in HRCC entitles any employer, who is a member in good standing, to health care coverage sponsored by HRCC. The Employer's business must be based in Chaffee, Fremont or Saguache County. Coverage is subject to the eligibility provisions of the health plan. Such coverage is available regardless of any health status related factor of such small employer group member or individuals eligible for coverage through the member. HRCC does not make such health care coverage available other than in connection with membership in HRCC. Membership in HRCC is not conditioned upon any health status related factor relating to any individual, including an employee or dependent of an employee.
