Salida Studio Tour

~~AUGUST 27-28, 2010 (FRIDAY & SATURDAY)~~

Welcome to the second annual Salida Studio Tour! This event is being hosted by Salida Art Works, a local community group acting as a communication center for artists, art groups, business, events and community in the Salida area. (www.salidaartworks.org)

Our vision for the Salida Studio Tour is to provide the community an opportunity to meet the variety of artists at their studios to observe their creative processes, view their artistic work and give the artists an opportunity to sell their art/music/writing to the public. This year we have expanded to include Salida, Smelertown and Big Horn Sheep Canyon up to and including Cotopaxi. We must include the stipulation that there are at least 4 artists within a 5-mile radius to allow maximum opportunities for the artists in that area.

This will be a juried event to ensure a balanced variety of media. All studio spaces and sizes are acceptable and on-site demonstrations are encouraged. This event will be advertised locally, with postcards available for mailing, and will be listed on free event listings throughout the state. We will also contact radio stations locally and in Colorado Springs & Denver area, with notices placed in OK, TX, KS & NE. To apply you will need:

- 1) A studio/work space in Salida, Smelertown or Big Horn Sheep Canyon area as stipulated above;
- 2) 3 photos of your art, or CD sample of your music, or examples/lists of published writings (these will be used for advertisement also);
- 3) Descriptions of your art, music or writings;
- 4) Exact location of your studio space (example: 111 north E street, upstairs in enclosed back porch, approximately 9ft x 9ft.);
- 5) Adequate home owners/renters liability insurance (since the public will be coming to your studio);
- 6) Completed Studio Tour Application;
- 7) \$85.00 Studio Tour fee (this fee will be used for printing costs & advertisement);
- 8) Artist's Statement, telling us about you (Keep it simple; this does not need to be elaborate);
- 9) Commitment to charge sales tax on all sales and file your sales tax online after this event;
- 10) Have yourself and your studio "OPEN" for the public with clear walkways, signage, and demonstrations of your work on Fri, August 27th (Noon - 7 pm) and Sat. August 28th (10 am - 5 pm)
